

# Corcoran's 2007 East End Exclusive Listing Broker of the Year

In uncertain times, isn't it best to go with a proven leader?

In just over 12 years on the East End with Allan Schneider Associates, now the Corcoran Group, Gary DePersia has participated in over \$850,000,000 of real estate transactions with more than 125 of his exclusive listings sold and closed, as well as matching dozens of his own buyers and renters with the right properties. At any given moment his inventory of exclusive listings could well exceed \$300,000,000.

Consistently ranked among the top producers in the Hamptons, Gary DePersia is recognized on the East End for his high profile listings and his progressive advertising. A well rounded broker, he is as comfortable assisting renters to find a modest summer cottage as he is showing off one of his spectacular multi-million dollar listings.

Although based in the East Hampton office, Gary realized early on that each buyer or renter has different needs thus compelling him to stay well versed on the inventory in all the villages. He has consequently built a business that stretches from Southampton to Montauk made possible by the addition of 2 full time assistants. This diversity has made him a favorite of NYC brokers looking to refer their clients to a knowledgeable Hampton Realtor.

A strong believer in rewarding the confidence of those who have listed their properties with him, Gary DePersia is one of the East Ends most prolific advertisers. His exclusive listings can be found regularly in regional, national and international publications including cutting-edge online technology, something that he looks forward to expanding under the Corcoran banner.
