With almost \$100 million dollars worth of properties sold or in contract since the beginning of the year, Gary DePersia has shown why buyers, sellers and renters continue to contact him for all their needs in the Hamptons. In just 14 years on the East End Gary has participated in nearly a billion dollars of real estate transactions with more than 160 of his exclusive listings sold and closed, as well as matching hundreds of his own buyers and renters with the right properties. With two assistants Gary has no problem covering almost \$600 million dollars worth of property currently listed with him from Southampton to Amagansett and from Sagaponack to Shelter Island. While being Corcoran's 2008 Top Broker by Sales Volume and by Rental Units, Gary was recognized by the Wall Street Journal, Real Trends and lore magazine in November of 2008 as the 4th top ranked broker by sales volume in their annual list of the "TOP 200" of real estate professionals nationwide.
