The Hamptons for buyers...sellers...renters...investors

As Corcoran's 2008 Top Broker by Sales Volume and by Rental Units, Gary DePersia has shown why buyers, sellers and renters continue to contact him for all their needs in the Hamptons. Selling and listing properties for over 13 years on the East End, Gary has participated in nearly a billion dollars of real estate transactions with more than 160 of his exclusive listings sold and closed, as well as matching hundreds of his own buyers and renters with the right properties. His inventory of sensational exclusive listings from Southampton to Amagansett includes such standouts as the 55 acre water front oasis Tyndal Point, the 11 acre idyllic pond front estate Morgan Hill Farm and most recently the 40 acre enclave known as Sagaponack Greens. In 2008 Gary was recognized by the Wall Street Journal, Real Trends and lore magazine as the 4th top ranked broker by sales volume in their annual list of the "TOP 200" real estate professionals nationwide with more than \$200M dollars worth of transactions for the previous year. Gary has no problem with covering over \$400 million dollars worth of property with the help of two assistants. Contact Gary today to discuss listing your property or finding your perfect place in the Hamptons.
