Timeless splendor and a gracious elegance converge within this Peter Cook/Men at Work 11,600 SF+/- collaboration that welcomes you into a dramatic double height entry over antique wide plank oak floors, reclaimed from New England barns that fan out to exquisite common rooms augmented by custom fireplaces, wainscotted ceilings and intimate spaces. A beamed, cathedral ceiling kitchen is bolstered by separate butlers kitchen. The first floor master wing with office and private access to gym is joined by 2 additional bedrooms while 3 more guest suites await upstairs. A separate 2 bedroom apartment with its own staircase can be used for staff needs or extra weekend company. A sense of tranquility and a park like setting envelop the expansive lawn areas, specimen trees and flowering gardens that surround the pool and pool house with room for tennis.
