

## GREY GARDENS

East Hampton. A piece of American folklore can be yours for a summer or even a year when you rent East Hamptons fabled Grey Gardens 2 acre estate with pool and tennis next to Georgica Beach. Originally designed by Joseph Greenleaf Thorpe in 1897, this 6,000 SF +/- Hampton original, was totally renovated and restored to its originally condition with the addition of today's amenities when the current owners rescued it some 30 years ago. With gracious common rooms coupled with enough bedrooms to comfortably house all your special guests, this ode to another era additionally offers heated gunite pool, Har-Tru N/S tennis court and of course the legendary gardens, which are likely to be some of the most beautiful you will ever see. Stroll to Georgica Beach a few hundred yards away or sip something iced in the little stucco cottage hidden within the lush landscape. History can never truly be owned but you can become a part of it this year if you are quick enough to rent this storied estate. Inquire about custom date ranges.
