

GIBSON LANE: THE PROMISE OF THINGS TO COME

Sagaponack. Nearly three acres, awash in Sagaponack sea breezes and only a few hundred yards to the beach, presents an unparalleled opportunity in the hamlet that has become the nexus of the Hampton lifestyle. An amiable 4 bedroom farm house of recent vintage anchors this expansive property, which additionally offers a two-story barn with upstairs finished loft and full bath, heated pool and acres of grassy expanse, all secluded behind tall perimeter trees. However, those seeking something more formidable might be intrigued to learn that this singular offering could accommodate a new 8,300 SF +/- residence, pool, 1,245 SF +/- pool house/accessory structure and full size North/South tennis court that would have views to the East of a nearby horse farm and South across an 11 acre reserve past a handful of ocean side estates to the Atlantic beyond. Held in the same ownership for nearly 400 years, this never before available 2.75 acre property presents a limited window to create the ultimate Hampton experience.
