## A Singular Oceanfront Residence Along The Dunes

**Water Mill.** A new significant modern residence has come to market on 1.5 acres above the dunes of Water Mill along 180+ ft of bulk headed ocean front. A masterful collaboration between Steven Harris Architects, Taconic Builders, Rees Robert Interior Designs and Edmund D Hollander Landscape Design for exacting owners has resulted in the recent completion of a 3,500 SF+/-, 4 bedroom, modern stone edifice with unobstructed vistas looking out across both the Atlantic Ocean and Mecox Bay. Walls of glass, some of which recede hydraulically into the floors bringing the outside in, afford views of both the sunrise to the south over the ocean as well as the sunset to the north over the bay. The beautifully realized kitchen anchors an open floor plan that includes living room with fireplace, media room and dining area all looking out to a vast liquid backdrop. The master wing to the east features sleeping chamber with fireplace, sumptuous master bath and ample built in closets. Two bedrooms with baths ensuite plus a separate guest wing on the west, that closes off to the rest of the house, are wonderfully spaced to afford privacy. Radiant heat warms all the floors while superb finishes are evident throughout. State of the art systems include geothermal HVAC system, automatic shades, Lutron lighting and a Savant automation system which can be set up to monitor and control the house from anywhere. A garage below can accommodate two vehicles. Outside the 50' infinity edge pool is serviced by a unique 600 SF pool house with fireplace, cabana kitchen and a grotto below offering underwater views into the pool.
