## BRUNCH WITH ASTON MARTIN

A stylish crowd assembled at a posh Bridgehampton estate for a private brunch with Aston Martin. **Gary DePersia** of the Corcoran Group provided guests with a private tour of the \$9.95 million property. The latest models and vintage classics from Aston Martin were parked throughout the sprawling estate. A silent auction was held to benefit the Lustgarten Foundation, which supports pancreatic cancer research. **Bill Chin, Nancy Mathew, and Sheila Cromwell** were among the guests who enjoyed an afternoon of fine cuisine and Champagne, along with hand-rolled cigars!
