Surfing. Boating. Concerts. Parties. Great restaurants. Theater. The Classic. And of course, just chilling on the beach. Hampton insiders reveal what they think are the best things about summer on the East End.

I love our beautiful ocean beaches, the Hampton Classic and fun summer parties and events. I love going to Shelter Island to laze on Sunset Beach and enjoy boat rides on the bay. And let's not forget our amazing waterfront restaurants and outside dining.

I think Sunset Beach Sunday afternoons are the perfect way to end a summer weekend, especially after I was probably showing houses Saturday and Sunday. It feels like you have left the Hamptons and arrived at Nikki Beach in St Barths.

In addition to the many social gatherings, all of the restaurants being opened, and sun-filled days, I would say seeing families and friends on our gorgeous beaches. Our oceanside summer concerts, evening bonfires and lifeguarded beaches are the perfect places for people to unwind in magical settings. Our sandy beaches are amazing!

JOHN BRADY
NEST SEEKERS INTERNATIONAL

The best things about summer in the Hamptons are the sunny beaches and bays, and the spectacular sunsets and sunrises. There are plenty of festivals, concerts, charity events and cocktail parties. I enjoy sailing, and it's fantastic to do during the summer months. At the end of the summer season my family and I enjoy attending the Hampton Classic—it has become our tradition.
