

TYNDAL POINT

THE HAMPTONS, NEW YORK

Envision a land encompassing 55 acres offering both sunrises and sunsets. Next, imagine a shoreline stretching 3,000 feet along some of the most pristine waterfront with soft, sandy beaches. Then, picture a compound of three separate waterfront residences that watch ships come and go from its two deep water docks. Dream of the deeply dredged, private lagoon with additional docks for safe harbor during storms. Conjure up an expansive pond, beautiful orchards, indigenous wild life and miles of walking trails to enjoy.

No, not the promo for some exotic vacation destination (or maybe it is). And not the location for the next Pirate movie (but it could be). Nor is it the secluded haunt of a mysterious mega mogul (at least not currently). What is it exactly? Simply put, it is the most beautiful waterfront property now available for sale in the Hamptons today. Located on the northern tip of a peninsula that looks at the pristine shorelines of Shelter Island, Sag Harbor and East Hampton's Northwest Harbor, Tyndal Point awaits.
