SAG HARBOR VILLAGE FRINGE NEW CONSTRUCTION WITH TENNIS

Sag Harbor. Construction is underway on a superlative, 5 bedroom home being built on 1.7 +/- acres on the fringe of Sag Harbor Village presenting the ultimate four-season Hampton experience in a private setting offering generous room sizes, masterful construction and exquisite finishes throughout nearly 4,500 SF on three levels of superbly finished space. The grey, shingle clad residence welcomes all under an elegant porte-cochere as beautifully finished hardwood floors spread out to find an open floor plan featuring a living room warmed by its own fireplace and a dining area serviced by a fully equipped kitchen with professional appliances, large center island with seating, custom cabinetry, stone countertops and a storage pantry. Adjoining the living room is an intimate den, perfect for watching your favorite shows, reading or for quiet reflection. A guest suite and powder room complete the first floor. Upstairs the primary wing, running from the front to the back of the residence, offers a generous sleeping chamber, large bath with soaking tub, shower room, dual sinks, a pair of walk-in closets and a private balcony. Two additional guest bedrooms, each with baths ensuite and a laundry room complete the second floor. The finished lower level offers recreational space, gym area, sauna and a cleverly imagined integrated pool cabana that leads to an outdoor living room with kitchen and fireplace. Verdant lawn and a stone patio frame the 40' heated Gunite pool with spa, firepit and nearby north/south tennis court. Additional amenities include a detached 2 car garage, 200-amp electrical service, 3 zone gas fired HVAC system, central vacuum, Sonos system, high efficiency LED lighting throughout and low voltage set up for cable TV and WIFI. With a real dearth of new construction in this price range, much less with tennis, coupled with the ability to still customize the finished product to suit your tastes and personality, now is the time to contact us for more information or your own private tour of this soon to be sensational estate. **WEB# 898134**
