10,000 SF, 8 BEDROOMS, POOL, CABANA & TENNIS ON ACRES OF RESERVE

Bridgehampton. Bounded on two sides by 35 acres of reserve in Bridgehampton South, a 7,400 +/- SF, 8 bedroom estate with tennis offers one fortunate renter a combination of masterful construction, exquisite finishes, copious amenities and a sensible floor plan that will make Summer 2023 beyond memorable. A dramatic double height entry welcomes all over beautifully finished white oak floors that spread out to include the double height great room and nearby den/media room both warmed by fireplaces. The state of the art eat-in kitchen with fireplace and walk in bar, is well equipped to service the formal dining room bolstered by a separate butler's pantry. A convenient guest suite with sitting area, a powder room, laundry room, another full bath and a 3 car garage complete the first floor. Upstairs the primary wing offers a large sleeping chamber with sitting room, luxurious spa like bath, a pair of walking in closets and a balcony looking out over the grounds and the reserve beyond. Four guest bedrooms, with baths all ensuite, are joined by a loft/living room that complete the 2nd floor. The finished lower level offers a sauna, recreational room, wine cellar, 8 seat screening room and a pair of staff suites sharing a full bath. An elevator connects the three levels of over 10,000 SF +/- of living space. Outside, both covered and uncovered stone patios grace the rear of the residence, enhanced by a built-in grilling station. The heated 40' Gunite pool and spa are serviced by a 2 story pool house offering a covered porch with fireplace, full bath and an upstairs with living room and napping area. Just beyond is the sunken all-weather tennis court with basketball net. And all this is set within a verdant lawn and a professional landscape package. With all these amenities joined by an enviable location close to everything that makes the Hamptons a world class summer destination, isn't it time that you took a look for yourself? **WEB# 892791**
