M & M CUSTOM HOMES 6,000 +/- SF NEW CONSTRUCTION W/ PICKLEBALL

Southampton. M & M Custom Homes is nearly finished with construction on the last of 3 superlative homes being built in an exclusive South of Highway waterfront enclave in Southampton. 41 Middle Pond will exhibit the ultimate four-season Hampton experience in a private setting offering generous room sizes, masterful construction and exquisite finishes throughout nearly 6,000 SF on three levels of superbly finished space. The residence welcomes all through a double height foyer as beautifully finished white oak floors spread out to find an open floor plan offering a living room warmed by its own fireplace and the fully equipped kitchen with professional appliances including large center island with seating, custom acrylic cabinetry, stone/quartz countertops, 48" stainless steel Sub-Zero refrigerator/ freezer, 48" Wolf range, 2 dishwashers and 2 sinks. Flanking this fabulous kitchen is a breakfast area and a butler's pantry leading to a formal dining room under a decorative ceiling. A guest suite, powder room and a two-car garage. serviced by a unique mudroom offering sauna and pool bath, complete the first floor. Upstairs the master wing, running from the front to the back of the residence, offers a large bath with soaking tub, shower room and radiant heat, a dressing room, a pair of walk-in closets and a generous sleeping chamber. Three additional guest bedrooms, each with baths ensuite and a laundry room round out the second floor. An open staircase runs to the lower level that additionally offers a bedroom suite, recreational space, gym area and a tiered home theater with state-of-the-art audio/ video system. Outside ample covered and uncovered stone terracing overlooks the 20' X 40' heated Gunite pool with spa, set within a cool, porcelain tile surround, all framed by a professional landscape package and verdant lawn which also hosts a pickleball court. Additional amenities include 400-amp electrical service, 4 zone HVAC, central vac, foyer chandelier lift, Marvin windows, 6 zone Sonos system, high efficiency LED lighting throughout and low voltage set up for cable TV and WIFI. With a real dearth of new construction in this price range south of the highway, much less in a waterfront community with pickle ball, now is the time to contact us for more information or your own private tour of this soon to be sensational estate. **WEB #886503**
