SAGG POND OCEANVIEW ESTATE W/ TENNIS AVAILABLE SUMMER 2025

Bridgewater. Stretching across almost 250' of Sagg Pond, this grand waterfront estate is poised on 4.5 manicured acres, a vision of refined elegance and timeless beauty. The traditional 9 bedroom, 10 bath home, custom-built and curated to perfection by stylish owners, including significant pieces of art and one-of-a-kind furnishings, stands as a testament to luxury as the estate unfolds with breathtaking views of the pond and the endless ocean beyond. Step inside to find a soaring two-story living room, anchored by a stately fireplace, a space where sunlight dances through expansive windows. An informal living room with wood clad ceilings is encased on three sides by windows and glass doors allowing the outside in. The heart of the home, an expensive kitchen, is equipped with the finest appliances, complemented by an enormous center island, a cozy sitting area with its own fireplace, flat screen TV and a charming breakfast banquet seating 12. Formal dining accommodates both sides of the family while intimate conversations find their places in the home's richly paneled library or sun-dappled sunroom, each featuring its own fireplace. Upstairs, the primary suite, a haven of serenity, with vaulted ceilings, luxurious bath, expansive dressing room, a private balcony, and an air of understated grandeur reigns over 4 guest suites plus an office. Four additional bedrooms are sprinkled about the residence with the staff quarters discreetly nestled on the first floor and finished lower level. . A professionally outfitted gym, including a Smith machine, double cable machine, a full array of dumbbells, Peloton, treadmill, Elliptical and more informs your daily workouts. Outdoors, the estate is transformed into an entertainer's paradise thanks to the brilliance of landscape architect Edmund D. Hollander. A barbecue terrace invites convivial gatherings, complete with a pizza oven, a commercial-grade grill and a fire pit. The grounds are a sanctuary of leisure and recreation with both covered and uncovered patios. A 60' pool is complemented by a cabana with indulgent amenities including kitchen, bath, sauna, and outdoor shower. Nearby, a sunken Astro-Turf tennis court awaits spirited matches. Down by the water, a teak dock beckons, outfitted with storage racks and a shower for rinsing off after aquatic adventures. From here, windsurf, paddleboard, or row your way to the ocean beach, just a gentle journey away. This Bridgewater waterfront is more than just a home; it is a realm of unparalleled elegance, offering every imaginable comfort. A jewel of the Hamptons, it stands as a sanctuary awaiting a fortunate few the opportunity to savor summer within its embrace. **WEB# 918248**
