MODERN 11,200 SF ESTATE LOOKING SOUTH OVER 50 ACRES OF RESERVE

Water Mill Set amidst the serene beauty of a 50-acre reserve, 392 Seven Ponds Towd Road is a breathtaking modern estate by East End Building Company. Completed in 2025 and designed for both luxury and comfort, this architectural masterpiece spans 11,000 +/- SF across three levels, featuring eight bedrooms, nine full and two half bathrooms, and an elevator connecting all to the roof deck offering heroic 360° views. Expansive Fleetwood floor-to-ceiling windows and doors blur the lines between indoor and outdoor living, flooding the home with natural light and offering unparalleled views of the surrounding landscape. Upon arrival, a striking 11-foot custom-designed entry door welcomes you into a dramatic two-story foyer anchored by a floating steel staircase with white oak treads and concealed lighting. The open-concept first floor highlights a sophisticated living room with a 90-inch linear gas fireplace, a versatile study and a state-of-the-art kitchen featuring custom Gary Ciuffo cabinetry, Gaggenau and Wolf appliances, butler's pantry and a separate chef's prep kitchen for seamless entertaining. A private, featured guest suite offers a sleeping chamber, sitting room, spa bath and access to its own patio. Hydronic radiant heat beneath 40" large format porcelain tiles extends throughout the entire first floor, ensuring warmth and comfort year-round. Rift and quarter sawn, white oak flooring spreads throughout the second level that features a spacious primary wing with dual private terraces, a sitting room, a spa-like bathroom with radiant-heated floors and a walk-in closet. Four additional ensuite bedrooms offer private deck access and walk-in closets. A second full-service laundry room ensures convenience at every level. The elevator rises to the 2,000 +/- SF rooftop terrace with putting green, Sonos audio and extensive lighting. The 3,000-square-foot lower level is a private retreat, complete with a 1,200-bottle wine cellar, 2-bedroom suites and powder room while providing ample space for screening room, a billiards/game room, a gym, sauna, golf simulator or any number of other subterranean pursuits. A courtyard with a staircase provides direct access to the grounds above. Outdoor amenities rival those of a five-star resort with 20' x 40' heated salt water pool, spa, expansive patios, and a full outdoor kitchen, creating the ultimate entertaining space. The all-weather tennis court framed by a sprawling lawn provides the perfect balance of recreation and relaxation. Built with premium materials, this home features Abodo® Fine Sawn Face Vulcan cladding, Fiberon® sustainable decking, a Lutron lighting system, and concealed HVAC vents for a seamless aesthetic. Smart-home technology includes Control4 thermostats, a whole-house Sonos system, and an advanced security and fire protection system. Designed by the award-winning Up Studio, this modern sanctuary is close to everything that makes the Hamptons a world class resort. Call us for a private tour today. **WEB# 898434**
